*Re: Northeast Organic Farming Assoc. of N.Y., et al. v. U.S. Dep't of Agriculture,
No. 25 Civ. 1529 (MMG)*

Dear Judge Garnett:

This Office represents the United States Department of Agriculture ("USDA" or the "Government") in the above-referenced action brought by Northeast Organic Farming Association of New York, Natural Resources Defense Council, and Environmental Working Group (collectively, "Plaintiffs") under the Administrative Procedure Act ("APA") and the Freedom of Information Act ("FOIA"). The parties write respectfully to provide the Court with a status update, as required by the Court's June 16, 2025 order. *See* ECF No. 33. Since the last status letter, filed on June 11, ECF No. 32, USDA has continued to make significant progress in restoring the climate-change-related web content that was removed post-Inauguration. The vast majority of webpages—including all webpages that plaintiffs attached as exhibits to their complaint—have been restored. There are a limited number of webpages that have yet to be restored on account of technical issues, which the USDA is working diligently to address.

On June 30, Plaintiffs made an initial settlement demand, which the Government has taken under consideration. In order to allow the parties an opportunity to explore a potential amicable resolution of this litigation, the parties respectfully propose submitting another joint status report in 30 days, on August 1.

The parties thank the Court for its attention to this matter.

The Court appreciates the update, and the efforts by all parties to resolve this matter. The parties are ORDERED to submit a further joint status report by **August 1, 2025**.

SO ORDERED. Dated July 7, 2025.

HON. MARGARET M. GARNETT
UNITED STATES DISTRICT JUDGE

Respectfully submitted,

JAY CLAYTON
